ABOUT CHEF MARLA COHEN

"Creative, whimsical, knowledgeable, a passion for perfection" are all phrases that have been used to describe Chef Marla Cohen. A graduate of the prestigious Culinary Institute of America in Hyde Park, New York, Marla has 30+ years experience in the food industry. Her culinary experiences range from owner of an artesian bakery and catering business to a vocational college culinary instructor & corporate Executive Pastry Chef. In addition she was an Executive Chef in the private club industry and co-owned PHOOD on Main in Riverside, California. Her knack for public speaking, zany sense of humor, vast culinary knowledge and well developed palette have made Marla a "must" at many culinary venues.

Why such a dirty word to describe this delicious spice? Well it isn't actually a dirty word in Yiddish. Chef Marla's great grandmother cooked solely by the Yiddish "shit" method, which translated means to throw a little of this & a little of that. . . and it is a method of cooking Marla continues to use to this day.
