Latte
Mugs

See what all the rage is about for our newest Clay in Motion item

Indulge in your favorite caffeinated creations with our exquisite handmade stoneware latte mug. Crafted with care and passion, each mug is a unique masterpiece, lovingly handmade to elevate your coffee experience to new heights.

Made from high-quality stoneware, this latte mug boasts a sturdy and durable design that is sure to stand the test of time. Its generous size (24 oz) allows you to savor every sip of your creamy latte or velvety cappuccino, making it the perfect companion for your morning routine or cozy evenings at home.

The elegant and rustic charm of the stoneware adds a touch of warmth to your kitchen or coffee nook, while the smooth glaze finish enhances the natural beauty of the material. Whether you're enjoying a quiet moment alone or hosting a gathering with loved ones, this latte mug is sure to impress with its timeless appeal.

Treat yourself to a touch of luxury with our handmade stoneware latte mug and elevate your coffee rituals to a whole new level of sophistication and style.
